PROJECTS / EXPERIENCE [Link]

1. **IBM Cognos Churn Analysis**
   Conducted in-depth analysis and predictive modelling on Telco customer churn using IBM Cognos, resulting in a 15% improvement in accuracy.
2. **E-Commerce Recommendation System:**
   Implemented state-of-the-art recommendation algorithms, boosting user engagement by 25% through collaborative filtering, content-based filtering, and hybrid approaches.
3. **Time Series Forecasting:**
   Achieved 90% accuracy in financial price predictions using ARIMA, SARIMAX, Prophet, and LSTM neural networks.
4. **Sentiment Analysis and Prediction Models:**
   Applied NLP techniques to analyse diverse textual data, revealing valuable insights and patterns with an 80% accuracy in sentiment classification.
5. **NLP-Powered Chatbot Development:**
   Developed a Chatbot with 95% accuracy in understanding user input, utilizing NLP techniques, the NLTK library, and cosine similarity.
6. **Power BI and Excel Data Analysis:**
   Utilized Power BI and Excel to analyse datasets, resulting in a 50% improvement in actionable insights derived from sales trends, customer segmentation, and product performance.

SKILLS

- **Programming**: Python (NumPy, Pandas, Matplotlib), SQL (MySQL, MongoDB), Linux
- **Machine Learning**: TensorFlow, PyTorch, Scikit-learn, Spacy, NLTK
- **Data and Analysis**: Statistics, Data Structures & Algorithms, BI Tools, Excel
- **Technologies**: AWS, Deep Learning, NLP, Git, Web Scraping, Django
- **Soft Skills**: Communication Skills, Analytical Thinking, Attention to Detail

EDUCATION

1. **Master Degree - Master of Computer Applications (MCA) (2022 - 2023)**
   University of Mysore, Mysore
   7.4 CGPA
2. **Bachelor Degree - Bachelor of Computer Applications (BCA) (2018 - 2021)**
   Sharnbasva University, Kalabuargi
   8.56 CGPA
3. **Class XII (2016 - 2017)**
   Chandrakant Patil PU College, Kalabuargi
   63%
4. **Class X (2014 - 2015)**
   Chandrakant Patil English medium school (CBSE), Kalabuargi
   6.8 CGPA

CERTIFICATES

- Data Analytics Certificate from LinkedIn. [Link]
- Intershala Data Science Training Certificate. [Link]
- Kaggle Data Science Certificates. [Link]
- HackerRank Python Test Certificate. [Link]
- HackerRank MySQL Test Certificate. [Link]
